ACCREDITED PROFESSIONAL CERTIFICATION - TIER

# Certificate of Excellence - Advanced Distributed Systems

Awarded to: Anuj Bhalothia

SkillProof Industry Technical Standards Council

**Verified Date: August 5, 2026** **[VERIFIED] SkillProof Digital Attestation**

## Certification Credentials & Curriculum

This certifies that Anuj Bhalothia has successfully demonstrated mastery in Distributed Systems Design, High-Throughput Event Streaming, Fault-Tolerant Consensus, and Microservice Observability.

## Assessed Core Competencies

- Distributed Consensus (Raft, Paxos protocols and quorum replication)
- Partitioning & Sharding strategies for multi-terabyte transactional datastores
- Cache Invalidation, Write-Through / Write-Behind patterns with Redis Cluster
- Event-Driven Microservice choreography using Apache Kafka and RabbitMQ
- API Gateway rate limiting, circuit breaker resilience, and tracing with OpenTelemetry

## Examination Score & Verification Record

Examination Score: 98.4 / 100 (Top 1% Percentile)
